

REMARKS

The allowance of claims 47-65 and 67-84 is noted with appreciation.

With regard to the objection to claim 66, applicants note that the objection is based on a typographical error. The correct dependency for that claim was intended to be claim 62 rather than 22 and this correction has been made by amendment. In reviewing claim 62, applicants noted an omission which has resulted in lack of antecedent basis for claims 63 and 65. Accordingly, claim 62 has been amended to include the necessary language. There is no issue of new matter in entering the changes.

Accordingly, the entire application is now in condition for allowance, early notice of which would be appreciated

Respectfully submitted,
